

7.2 (b) Developing individual to create better society through National Cadet Corps (NCC)

Thirteen cadets participated in RDC New Delhi-2023 with principal and NCC officers

The NCC units of the college provide exposure to the cadets by engaging them in community development, youth exchange, adventure training, awareness campaign for the overall development keeping in mind the following main objectives:

- To develop discipline and ideals of self-service amongst cadets.
- To provide opportunity to build character, confidence and develop leadership skills.
- To provide a suitable environment for all round development with the sense of duty.
- To motivate boys and girls to choose career as defense officers.

The two wings of the college i.e. the Army and Naval are actively organizing, training and motivating the young cadets by involving them in community service, National and cultural integration and social awareness programmes instilling in them the spirit of harmony, compassion towards cultural, regional, linguistic, communal, social economic and religious diversities. The NCC units of the college provides training to the cadets who are significantly contributing in the field of social welfare and Community development but engaging them in the following activities:
