

### **7.2.1 (c) Developing individual to Create Better Society through Rovers and Rangers**

Education is incomplete without social commitment. This practice aims to foster the spirit of social service in our students that is carried out by units of Rovers & Rangers. Students need to be prepared as torchbearers of society to bring a positive transformation.

The main objective of the program is to enhance the lives of those residing in the surrounding area while also giving student volunteers chances for experiential learning and cultural growth.

Our objectives of this include:

- To understand the community in which they live
- To develop a healthy relationship with the community
- To identify the needs and problems of the community
- Inculcate a sense of social and civic responsibility.
- Mobilizing community participation.
- To develop leadership qualities
- Practice national integration and social harmony.

**Receiving Awards for Best performance in Rovers and Rangers**

The college provides a platform to the students of Rovers & Rangers by creating a multivalent and mutually renewing forum for meaningful dialogues, actions, and interactions to reach the community. The college organizes programs such as blood donation camp, cleanliness program, tree plantation, road safety drive , literacy and health & hygiene awareness campaigns. During the Covid-19 pandemic our students found new ways to serve community in such a unprecedented crisis. Our volunteers played a key role in spreading covid awareness in the region. There are two units of Rover and Rangers in college. Dr. Pawan Sharma, Dr. Richa Singhal, Dr. Umesh Sharma and Dr. Deepika Mishra coordinate all the activities to develop individuals for creating better society through Rover and Rangers.
